

# POST GRADUATE DIPLOMA IN EXPRESSIVE ARTS THERAPY

Department of Psychology

The main objective of the course is to open up this highly specialized discipline of study to the Indian Post Graduate level and to develop competent practitioners in the field of Expressive Arts Therapy.

The focus of the course would be to equip participants with combination of theoretical foundation and hands on skills. Thus enabling graduates to incorporate these skills in socially challenging environments within educational and developmental settings and supplement their existent capacities.

The 5 papers per semester will focus on :

- 1) Expressive Arts Therapy Theory (Art, Drama, Movement , Music and Inter-modality)
- 2) Expressive Arts Therapy Skills (Art, Drama, Movement , Music and Inter-modality)
- 3) Counseling Theories, Processes and Skills
- 4) Fieldwork
- 5) Research Design and Methodology
