Details of the Activity	
1	Title: Sustainable Development Goals
2	<p>Learning Objectives:</p> <ol style="list-style-type: none"> 1. 1. To educate students about the SDGs and India's position in the world rankings. 2. 2. To enhance their knowledge of sustainability in terms of social, economic, and environmental factors. 3. To promote community activism in achieving SDG's. 4. To help bridge gap between classroom and the actual world.
3	<p>Learning Outcomes:</p> <p>To create a more sustainable world and to engage with issues related to sustainability as described in the Sustainable Development Goals (SDGs), individuals must become sustainability change-makers. They need the education, training, beliefs, and attitudes that will enable them to support sustainable development. Thus, education is essential for achieving sustainable development, and education for sustainable development is especially important because it equips students with the knowledge and skills necessary to make responsible decisions that will promote environmental integrity, economic viability, and a just society for both the present and future generations.</p>
4	<p>Description:</p> <p>The 5 day program is designed to use education, and in particular, Education for Sustainable Development (ESD), in achieving the SDGs. It identifies learning objectives, suggests topics and learning activities for each SDG, and discuss Indian programs/policies in achieving SDG's.</p>
5	<p>Modules if any</p> <p>NA</p>
