6.	Name of the Hub Coordinator and Email address (Interdisciplinary)
7	Number of credits for the activity and number of hours 01 Credit 15 Hours
8	Activity Fees 1800/-
9	Eligibility Open to UGs from all streams
10	Number of students 25
11	Duration and Time December 2023 to February 2024

Details of the Activity	
1	Title: Use of Language in Science Writing
2	<p>Learning Objectives:</p> <p>The course underlines the importance of undergraduate students receiving a solid foundation in scientific writing early in their academic careers. The ability to effectively communicate research findings is crucial for success in the careers students choose.</p>
3	<p>Learning Outcomes:</p> <p>By increasing undergraduate exposure to the scientific writing process, we hope to better prepare them for post graduate school and to encourage Graduate students to publish early and often.</p>
4	<p>Description:</p> <p>This is a fifteen-hour training course focusing exclusively on writing skills along the lines of science topics. This training breaks down the writing process providing concrete examples that students from all streams can refer to when preparing a scientific manuscript.</p>
5	<p>Modules:</p> <ul style="list-style-type: none"> A. The need for <i>Science Writing</i> B. Science and Indian Wisdom C. How to write a science report, feature, article and editorial D. Importance of translation in <i>Science Writing</i> E. Science fiction, drama, and poetry

**HONOURS CERTIFICATE PROGRAMME PROPOSAL
AY 2023-2024**

General Information of the Activity	
1.	Department and Hub Language Lab
2.	Title of the Activity Certificate Course in Elementary Telugu
3.	Name of the Professor taking the course Ms. Jyoti Pradeep More
4.	Name/s of the Resource person/s Ms. Jyoti Pradeep More
5.	Name of the Dept Coordinator and Email address Ms. Jyoti Pradeep More <u>language.lab@xaviers.edu</u>
6.	Name of the Hub Coordinator and Email address (Interdisciplinary)
7	Number of credits for the activity and number of hours 01 Credit 15 Hours
8	Activity Fees 500/-
9	Eligibility Open to UGs from all streams
10	Number of seats 07
11	Duration and Time October 2023 to December 2023

Details of the Activity	
1	Title: Certificate Course in Elementary Telugu
2	<p>Learning Objectives:</p> <p>The course underlines the importance of undergraduate students receiving a solid foundation in inclusion and quality learning in their academic careers. The ability to effectively communicate in a regional language helps in deepening understanding of relevant socio-cultural elements of the language.</p>
3	<p>Learning Outcomes:</p> <p>By increasing undergraduate exposure to a regional language, we hope to better prepare them for interacting with local people and in maintaining harmony within the community. The course is aimed at helping students improve their listening skills, gain a better understanding of the language, and gain a more holistic view of their culture.</p>
4	<p>Description:</p> <p>This is a fifteen-hour training course focusing exclusively on on the four domains of Listening, Speaking, Reading, and Writing. The course will cover elementary grammar, vocabulary and socio-cultural elements of the language providing students the opportunity to develop both productive and receptive skills. The tasks involve role play, small projects, and interactive games.</p>
5	<p>Modules:</p> <ul style="list-style-type: none"> A. Traditional elementary grammar B. Important vocabulary C. Structuring sentences D. Listening and comprehending conversations E. Essential phrases and most common expressions
